4) Letter No. FIDD.(BG) No. 213/02.03.51/2019-20, dated:16.09.2019 from Regional Director for Karnataka, Reserve Bank of India, Bengaluru.

Preamble:

During the current South West Monsoon season, the State received incessant heavy rainfall from August 1st to 9th coupled with record discharge of water for many days from the dams in the Upper Krishna Basin and Bhima Basin from Maharashtra, resulting in flooding of many parts of North Interior Karnataka causing human and animal loss, extensive crop and plantation loss, large scale damages to critical infrastructure. During the same period, Coastal and Malnad region also recorded extremely heavy rainfall causing human and animal live loss and extensive damages to crop and plantation and damage to critical infrastructure.

The State Executive Committee meeting chaired by Chief Secretary held on 09-08-2019, identified areas which are affected by floods and landslides on various analytical information as a result of heavy rains and record discharge from dams. After examining the loss and damages, it has recommended to notify Districts/Taluks as flood affected.

Hence vide Government Order dated:10.08.2019 and 16.08.2019 read at (2) & (3) above 22 districts and 103 taluks have been declared as flood affected.

Reserve Bank of India vide its letter dated: 16.09.2019 read at (4) above, requested for providing information regarding crop loss assessment in the flood affected districts. Hence the following order.

Government Order No. RD 87 TNR 2019 Bengaluru, dated:19-09-2019

In the circumstances mentioned above and in continuation of the Government Order No. RD 87 TNR 2019, dated:10.08.2019 & 16.08.2019, in which 103 Taluks in 22 Districts have been declared as flood affected, based on the information provided by the Agriculture Department the list of villages where crops are affected in the notified taluks is as per annexure to this order.

By Order and in the name of the
