India Post Payments Bank (IPPB) Presence

The IPPB representative provided an overview of their operational model. There is one IPPB office in Uttara Kannada District, located at Karwar. Every post office acts as a banking touchpoint, delivering IPPB services. Key outreach details:

- 490 postal touchpoints across the district
- In addition, around 65 external BCs (through Gram One centres and NRLM) are operational
- Total outreach points: approximately 649 service locations

This extensive network significantly contributes to last-mile financial inclusion, especially in rural and remote areas.

All stakeholders were advised to work collaboratively to ensure efficient and reliable delivery of banking services at the grassroots level.

Agenda No. 5: Exclusion of Kaiga from Unbanked Village list as per Jan Dan Darshak (JDD) Portal

While Canara Bank successfully opened new branches in Koppa and Salgao, Kaiga was excluded from this mandate for the following reasons:

- **Lack of General Population:** Kaiga primarily houses a nuclear power plant (NPCIL) and does not have a general civilian population that requires a dedicated new branch.
- **Existing Coverage:** The nearest populated area, Mallapur, is already served by a Canara Bank branch, and the NPCIL area itself is covered by an existing State Bank of India (SBI) branch.

Details of the Kaiga village is as shown below:

District	Sub District	Village Code	Village	Total Population	Remarks
Uttara Kannada	Karwar	602610	Kaiga	238	Kaiga is a nuclear power plant area where no permanent civilian population resides

Due to these factors, Lead District Manager presented a proposal to the District Consultative Committee (DCC) to formally approve Kaiga's exclusion from the list of unbanked villages requiring a new branch.

The Committee on discussion approved the agenda of exclusion of of Kaiga from Unbanked Village list as per Jan Dan Darshak (JDD) Portal.
